

Sterigenics Settles New Mexico Litigation

On June 24, 2026, Sterigenics U.S., LLC and its codefendants agreed with the State of New Mexico to settle the litigation involving the Sterigenics facility in Santa Teresa that was filed in the Third Judicial District Court in Doña Ana County, New Mexico in December 2020. The settlement fully and finally resolves all claims made or that could have been made in the lawsuit, without any admission of liability or wrongdoing by any defendant. On July 7, 2026, the Court entered an **Order Dissolving Preliminary Injunction** and an **Order of Dismissal With Prejudice**.
